Stinson & Associates, Inc.

Mission Statement:

To advocate, engage, prepare, and inspire individuals who experience barriers to employment to become economically independent.

Stinson & Associates, Inc. is a Georgia based corporation designed to provide employment service training and preparation, as required by contractual guidelines. We provide a comprehensive service delivery program designed to transition individuals on TANF rolls to self-sufficiency through a continuum of services leading to competitive employment.

The services that SA, Inc. offers are integrated into existing community delivery models to enhance effectiveness and efficiency: positive holistic, neighborhood-based services that will consistently convey a message of family opportunity, career development, and life success. The personalized assistance plan increases the likelihood of transitioning participants away from economic dependence.

The "Making A Difference" Philosophy: Is to raise the bar in training, employment preparation, job development, and educational opportunities for individuals experiencing barriers to economic independence.
